## Hotel Nyborg Strand

Approximately 1h 45min from Copenhagen and Billund Airport to Nyborg railway station. There will be a guide who meets you at the railway station. Nyborg Strand Hotel is only 15min away from the railway station by foot.

Nyborg is an idyllic coastal town – a hidden gem – a hub centrally located in the middle of Denmark with a population of 17 525. Nyborg connects to the main island Zealand through the Great Belt Bridge. Nyborg was founded in the 1200s and built up around Nyborg Castle. The castle holds a central place in Nyborg geographically, historically and culturally.

The old town center of Nyborg has a history that dates back to the early Middle Ages. Today, Nyborg is an obvious meeting point across the country. Both because of the town's geographical location but also because Nyborg delivers world class hosting, for example the city was 2nd stage of Tour de France where over 100 000 people cheered their favourites.

# Official transport
